

# Clean Daycares for Healthy Kids

## Clean Toys

- Clean non-absorbent toys with soapy water, then rinse with clear water
- Wipe dry with disposable paper towels
- Sanitize by applying a chlorine bleach solution
- Air dry

## Clean Hands

Wash hands carefully and frequently with soapy water, especially:

- After going to the bathroom
- After changing diapers or cleaning body fluids
- Before preparing foods or beverages

Wash hands for as long as it takes to hum the "Happy Birthday" song twice.

Dry hands thoroughly using disposable paper towels.

**\*Make bleach solutions fresh daily; keep out of reach of children; never mix bleach solution with other cleaners.**
